

Artwork Guidelines

All work must adhere to the following guidelines:

All 2D work must be fitted with mirror plates halfway down along the frame so that the work can be screwed to the wall. Clip frames will not be accepted. No other fittings or hanging devices will be accepted unless specific to the artwork.

For size restrictions and requirements for other artwork, please contact The World of Glass on 01744 22766. All work must be clearly labelled on the reverse and must be supplied with a separate corded luggage label, attached to the reverse of the work, which can then visibly hang down the front. The label must clearly state: artist's name, title, price, medium of artwork and year the artwork was produced.

Conditions of Entry

- All work put forward for sale will be sold as seen. No alteration to the prices stated on the entry form can be made after submission. • Acceptance and prizes are at the full discretion of the judging panel. The judges' decision is final and no correspondence will be entered into.
- **Insurance, Loss or Damage:** artists enter works at their own risk and are therefore advised to take out their own insurance. Although every care will be taken, no liability will be accepted by the organisers, exhibition installers or The World of Glass.
